

OVER 60's 2nd XI Report 2015

A disappointing end to a season full of promise, as we again arrested the 'Western Division Title' for the third year running, due certainly to a group of players whom gave commitment throughout, with the willingness to play or support the team whenever called upon to do so.

Sadly the season ended in controversy with Surrey, and then the unwillingness of Sussex to travel halfway, put the blinkers down on what was a successful season yet again, and of course the weather was another important factor.

My thanks to Ian Western, Nick Forbes, Roger Tolchard, Pete Gascoigne & Di Wadsworth for all your contributions.

Congratulations to leading run scorers Richard Coe & Gerry Keen, and leading wicket takers Graham Darke, Reehan Caryl, Paul Berman, Pete Rose & wicket-keeper Nigel Mountford, who had a great season behind the stumps & also with the bat.

Newcomers Andy Rose, Mike Giles, Alastair Ashworth & Eddie Clarke all settled into their first season well, thanks also to Barry Flicker, Dave Gambie & Dave Amery for playing your part.

To my Vice-Captain Richard Coe 'thanks a million' for without your continued help, none of this would have been achieved.

As you probably know by now that I am standing down, so that hopefully I may play 1st XI cricket next year, it's been a pleasure sharing this success with you all.
