## **GOLF DAY**

Despite the gloomy forecast 17 members attended the inaugural Devon Seniors CC Golf Day at Downes Crediton Golf Club, with a mixture of golf (good & bad), dodging the odd shower and convivial good, humoured chat, all those that attended appeared to have enjoyed the day and meal afterwards, with conversations continuing well after the final putt was holed. It is certainly hoped that this will be an annual event or even a pre-season warm up fixture!

Below some pics from the day, with winners of the various competitions.
